

First, the Court **ORDERS** the State Defendants to produce the Coffee County investigations case list, which provides a short description and status of cases relating to Coffee County opened by the Investigations Division of the Secretary of State's office. The case list is a single page titled "Case – all items" from the Coffee County Documents PDF. The State Defendants are permitted to redact from the list each case opened prior to 2020. Second, the Court **ORDERS** the State Defendants to produce the Coffee County 9/28/2021 Report of Investigation, i.e., SEB2020-250 ROI.doc.

Further, it appears to the Court that Ms. Koth did not address each document over which the State Defendants are asserting investigative privilege in her affidavit. Specifically, Ms. Koth did not address the following documents: Sharepoint Server Location and three documents with the filename SEB2020-250 Coffee County.PDF. Accordingly, the Court **DIRECTS** the State Defendants to clarify in a notice to the Court by **Tuesday, October 11, 2022 at 12:30 PM** whether they are still seeking to assert investigative privilege over these documents and if so, to file an amended affidavit by 2:00 PM.

IT IS SO ORDERED this 10th day of October, 2022.

Honorable Amy Totenberg
United States District Judge

protective order provisions. The Court is not prepared to do this while the investigation is ongoing, absent exceptional cause.
